

**REMARKS/ARGUMENTS**

Claims 16-18 stand allowed, claims 1, 2 and 10-14 are rejected and claims 6-9 objected to in the outstanding Official Action. Claim 6 has been cancelled without prejudice (and incorporated into independent claim 1) and claims 1, 7 and 9 amended. Accordingly, claims 1, 2, 5, 7-14 and 16-18 remain in this application.

On page 4, section 6 of the outstanding Official Action, the Examiner indicates that claims 6-9 contain allowable subject matter. Applicants have cancelled claim 6 without prejudice and added the limitation of claim 6 to independent claim 1. Applicants have also amended the dependencies of claims 7 and 9 to depend from claim 1.

Accordingly, with the Examiner's indication of claim 6 containing allowable subject matter and with claim 6 now being incorporated into amended claim 1, it is believed that claim 1 is in condition for allowance and all claims dependent thereon, i.e., claims 2, 5 and 7-14.

Also on page 4 at section 7, the Examiner indicates that claims 16-18 have been allowed.

In view of the above amendments, all remaining claims 1, 2, 5, 7-14 and 16-18 are in condition for allowance, thereby obviating any further rejection of claims under Phillips (WO 01/93337).

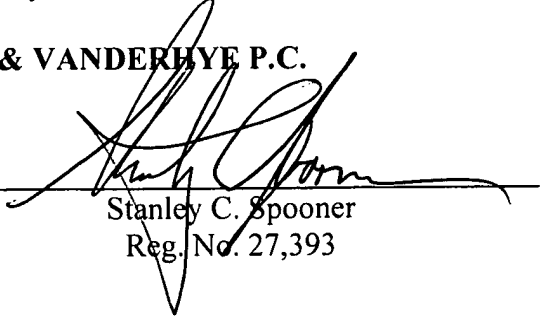

Having responded to all objections and rejections set forth in the outstanding Official Action, it is submitted that remaining claims 1, 2, 5, 7-14 and 16-18 are in condition for allowance and notice to that effect is respectfully solicited. Should the Examiner be of the opinion that a brief telephone or personal interview will facilitate allowance of one or more of the above claims, he is respectfully requested to contact Applicants' undersigned representative.
